Scottish Connections

# Use of technology to promote the recognition of the spoken word in Ulster-Scots

John Murray

Ulster-Scots Community Network

# Challenges -

- Limited access to key written materials
- Regional variations/Differences of opinion
- Perceptions of others
- Government intervention
- Lack of suitable education resources

# The role of technology

- Digitisation of key texts, poems, letters etc.
- Transfer of tape recorded interviews to digital/web based access
- Quick Response (QR) coding
- Radio broadcast
- Television broadcast
- Internet/ Apps/Social Media
